

CORNWALL LEADERSHIP ACADEMY

The Academy has been set up by the Cornwall SGOs and supported by Active Cornwall. Your Young Leaders can access online training which can support their leadership journey, boost their CV and employability skills or can just set them on the leadership pathway. Why not encourage your less competent/confident pupils to get involved with the new Sport Leaders UK Skills Award, this programme is a great introduction into leadership and aimed at those aged 14 plus. The training will be part funded by Active Cornwall, this will be determined by the amount of interest from schools. (Schools may be required to make a contribution)

As part of the Cornwall Leadership Academy your Young Leaders will be required to assist with the Cornwall School Games and complete a set number of community volunteering hours; this could involve providing video clips to support virtual challenges, creating challenge cards, event management, media, umpiring/referring at events, festivals etc. Schools will also be required to submit data, complete case studies and share learning to assist with national reporting.
