

Why sign up to Modeshift STARS?

So your school is recognised in your local community for its role in addressing climate change, and improving the health and wellbeing of its pupils when they need it most.

Travel:

- Provides greater sustainable travel choices to staff and parents
- Identifies ways to help reduce congestion, and ease the problems and issues faced by headteachers during drop off and pick up times
- Encourages parents to engage in active travel in as much or little as they want, which will be dependent on their circumstances

Curriculum:

- Creates curriculum links, i.e. environment, geography, using data (maths), PSHE (health & wellbeing), physical education
- Demonstrates to Ofsted how the engagement in Active Travel, encourages and promotes behaviour change amongst the whole school community developing more confident and capable students

Skills:

- Develops, using partnerships with Active Cornwall, Sustran's, and other providers vital skills on the importance of road safety, bike maintenance, physical activity, health and wellbeing

Partnerships:

- Creates partnerships between the school, local transport teams, local authority, local councillors, Police, and local resident groups and associations and connection to wider programmes - Eco Schools, Climate Action for Change, Healthy Schools Rating Scheme etc.
